WRITING

1. It is obvious that people have jobs because they need money to live. However, it is not the only reason, why people work. The job helps people with socialization, self-development, combining work with their hobby, finding their personal place in this huge world.

Working in a collective you learn how to communicate with people correctly, how ^{to} make new friends and work in a group. This develops very important personality ~~traits~~ ^{traits} that ~~that~~ ^{which} will be useful in our future. In addition, the job gives you an opportunity for a career growth. People who start ~~s~~ with such jobs ~~such~~ as a promoter or ^a delivery man often ends ~~s~~ up with ~~work~~ ^{as} a boss. That is the reason why motivated and hard-working people work a lot. They have a chance of self-improvement.

To conclude, ^a the job helps people in different spheres of life. It provides people with personal traits that will be useful in the future. It is socialization, the opportunity of self-development and career growth, new friends and etc.
